

It's that time again!

I hope some of you have been looking out for this note from me to appear on the site?

I know we are all looking forward to the sunny warm summer that must arrive soon to replace the rain and wind we have at the moment, but one thing you can rely on is that I will be asking for volunteers to work at the National Top Club Finals at Leamington, and here it is!

This is a special opportunity that we make available every year for those who, for whatever reason, can't work at the Championships at Leamington. If you are newly qualified and a bit nervous of stepping out onto that big stage for the first time, or if you feel you just want that bit of extra experience before trying that, or for whatever reason you can't come to Leamington for the Championships here is your opportunity to come to Leamington and work.

Come and experience Leamington in September and get some experience in Marking or Umpiring at Leamington, get that form completed and back to me by 4 July 2017. I've asked for your County on the form so I have an idea of how far you will be travelling when I allocate the duties. Remember though, that the only amount payable for duties is £15 per session.

Although everyone can apply to for duties this weekend I will (as always) be giving priority to those who have not been at the Championships, this is your special opportunity so don't hang back, get your application in.

I will try and notify you as soon as I can after 4 July so that you can make your arrangements.

Looking forward to receiving your applications!

Phyl Jones
